WHEN IT'S SPRING TIME IN THE ROCKIES

When it's springtime in the Rockies
~~I am~~ I'll be coming home to you
Little sweetheart of the mountains
With your bonnie eye so blue
Once again I'll say I love ~~you~~
~~And~~ While the birds sing all the day
When it's spring time in the Rockies
In the Rockies far away

~~The twilight sha' dows deepen into night dear
The city lights are gleaming o'er snow
I sit alone beside the cherry fireside
I'm dreaming dreams from out the long ago
I fancy it is springtime in the Rockies
The flowers with their colors aflame
And though I long to be back in the Rockies
I'll wait until the springtime comes again~~
