

# All for Me Grog (short)

**Chorus:** Well it's all for me grog, me jolly jolly grog,  
It's all for me beer and tobacco.  
For I spent all me tin on the lassies drinking gin,  
Far across the western ocean I must wander.

**Men:** Where is me hat, me noggin', noggin' hat,  
**Women:** It's all gone for beer and tobacco.  
**All:** For the brim is wore out and the crown's been kicked about  
And me head's been looking out for better weather.

## Chorus

**Men:** Where is me shirt, me noggin', noggin' shirt,  
**Women:** It's all gone for beer and tobacco,  
**All:** For the collar is all worn, and the sleeves they are all torn,  
And the tail is looking out for better weather.

## Chorus

**Men:** Where are me pants, me noggin', noggin' pants,  
**Women:** They're all gone for beer and tobacco.  
**All:** For the zipper's all worn out and the knees are frayed about  
And me backside's looking out for better weather.

## Chorus

**All:** I'm sick in the head and I haven't been to bed,  
Since first I came ashore from me slumber,  
For I spent all me dough on the lassies don't you know,  
Far across the western ocean I must wander.
