

Black and White (Three Dog Night)

Three Dog Night

All: The ink is black, the page is white
Together we learn to read and write
A child is black, a child is white
The whole world looks upon the sight
A beautiful sight

Refrain: **And now a child can understand
That this is the law of all the land
All the land**

All: The world is black, the world is white
It turns by day and then by night
A child is black, a child is white
Together they grow to see the light
To see the light

Refrain: **And now, at last, we plainly see
We'll have a dance of liberty
Liberty**

All: The world is black, the world is white
It turns by day and then by night
A child is black, a child is white
The whole world looks upon the sight
A beautiful sight

All: The world is black, the world is white
It turns by day and then by night
A child is black, a child is white
Together they grow to see the light
To see the light

All: The world is black, the world is white
It turns by day and then by night
A child is black, a child is white

The whole world looks upon the sight
A beautiful sight
Yeah
Yeah-eah, oh-ohhh
