

Cruising Down the River

- All: Cruising down the river, on a Sunday afternoon
With one you love, the sun above, waiting for the moon
The old accordion playing a sentimental tune
Cruising down the river, on a Sunday afternoon.
- All: The birds above all sing of love, a gentle sweet refrain
The winds around all make a sound like softly falling rain
The two of us together will plan a honeymoon
Cruising down the river on a Sunday afternoon.
