

# Here Comes The Sun

*John Lennon, Paul McCartney*

**All:** Here comes the sun  
Doo doo doo doo  
Here comes the sun and I say  
It's alright

**Women:** Little darling, it's been a long, cold, lonely winter  
**Men:** Little darling, it feels like years since it's been here

**All:** Here comes the sun  
Doo doo doo doo  
Here comes the sun and I say  
It's alright

**Men:** Little darling, the smiles returning to the faces  
**All:** Little darling, it seems like years since it's been here

**All:** Here comes the sun  
Doo doo doo doo  
Here comes the sun and I say  
It's alright

**All:** Sun, sun, sun  
Here it comes x 5

**Women:** Little darling, I feel that ice is slowly melting  
**Men:** Little darling, it seems like years since it's been clear

**All:** Here comes the sun  
Doo doo doo doo  
Here comes the sun and I say  
It's alright

**All:** Here comes the sun  
Doo doo doo doo  
Here comes the sun  
It's alright

**All:** It's alright
