

# I Can't Help Falling in Love With You

*Elvis Presley*

**Men:** Wise men say  
Only fools rush in  
But I can't help falling in love with you

**Women:** Shall I stay  
Would it be a sin  
If I can't help falling in love with you?

**Men:** Like a river flows  
Surely to the sea  
Darling, so it goes  
**All:** Some things are meant to be

**All:** Take my hand  
Take my whole life too  
For I can't help falling in love with you

**Women:** Like a river flows  
Surely to the sea  
Darling, so it goes  
**All:** Some things are meant to be

**All:** Take my hand  
Take my whole life too  
For I can't help falling in love with you  
For I can't help falling in love with you
