

I Never Will Marry

Intro – Instrumental 1st two lines (piano lead-in)

One day as I rambled down by the seashore
The wind it did whistle and the waters did roar
I heard a poor maiden make a pitiful sigh
She sounded so lonesome at the waters nearby

Chorus

**I never will marry, I'll be no man's wife
I expect to stay single all the days of my life**

The shells in the ocean will be my deathbed
And the fish in deep water swim over my head

My love's gone and left me, he's the one I adore
And now I will see him, I'll see him no more

Chorus (Key Change to D)

She plunged her fair body in the water so deep
She closed her pretty blue eyes in the water to sleep
