

I Want To Be Happy

Ella Fitzgerald

Men: I want to be happy
But I won't be happy
Till I make you happy, too

Women: Life's really worth living
When we are mirth-giving
Why can't I give some to you?

All: When skies are gray
And you say you are blue
I'll send the sun smiling through

All: I want to be happy
But I won't be happy
Till I make you happy, too
