Women: I love him I love him I love him
And where he goes I'll follow, I'll follow, I'll follow

Women: I will follow him, follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can kee-e-ep me away

Women: I must follow him
Ever since he touched my hand I knew
That near him I always must be
And nothing can keep him from me, he is my destiny

Men: *(Do-doo-doo softly as rhythm under next 4 lines)*

Women: I love him, I love him, I love him
And where he goes I'll follow, I'll follow, I'll follow
And side by side together – I'll be with – my true love
And share a thousand sunsets – together – beside him

Women: I will follow him, follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love

Men: *(Do-doo-doo softly as rhythm under next 4 lines)*

Women: I love him, I love him, I love him
And where he goes I'll follow, I'll follow, I'll follow
And side by side together – I'll be with – my true love
And share a thousand sunsets – together – beside him

Women: I will follow him, follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep, keep me away
Away from my love, Away from my love, Away from my love
