

# I'm Into Something Good

*(originally by Earl-Jean McCrea)*

**All:** Woke up this morning feelin' fine  
There's something special on my mind  
Last night I met a new girl in the neighborhood, whoa yeah  
Something tells me I'm into something good  
**Men:** (Something tells me I'm into something)

**All:** She's the kind of girl who's not too shy  
And I can tell I'm her kind of guy  
She danced close to me like I hoped she would  
**Men:** (She danced with me like I hoped she would)  
**All:** Something tells me I'm into something good  
**Men:** (Something tells me I'm into something)

**All:** We only danced for a minute or two  
But then she stuck close to me the whole night through  
Can I be fallin' in love?  
**Men:** (She's everything I've been dreamin' of)  
**All:** She's everything I've been dreamin' of

**All:** I walked her home and she held my hand  
I knew it couldn't be just a one-night stand  
So I asked to see her next week and she told me I could  
**Men:** (I asked to see her and she told me I could)  
**All:** Something tells me I'm into something good  
(Something tells me I'm into something)  
(Something tells me I'm into something, ahhh)

**All:** I walked her home and she held my hand  
I knew it couldn't be just a one-night stand  
So I asked to see her next week and she told me I could  
**Men:** (I asked to see her and she told me I could)  
**All:** Something tells me I'm into something good  
**Men:** (Something tells me I'm into something)  
**All:** Something tells me I'm into something good  
**Men:** (Something tells me I'm into something)  
**All:** To something good, oh yeah, something good  
**Men:** (Something tells me I'm into something)  
**All:** To something good, something good, something good
