

## IT'S A WONDERFUL WORLD

I see trees of green red roses too  
I see em bloom for me and you  
And I say to myself what a wonderful world

<sup>think</sup>  
I see skies of blue <sup>and</sup> clouds of white  
<sup>the</sup> Bright blessed day <sup>in</sup> dark scared nights  
And I think to myself what a wonderful world

The colors of a rainbow so pretty in the sky  
Are also on <sup>the</sup> faces of people going by  
I see friends shaking hands sayin' how do you do  
They're really sayin' I love you

I hear babies cry I watch them grow  
They'll learn much more than I'll ~~never~~ know  
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky  
Are there on the faces of people going by  
I see friends shaking hands sayin' how do you do  
They're really sayin' I love you

I hear babies cry I watch them grow  
A whole lot more than I'll never know  
And I think to myself what a wonderful world  
Yes I think to myself what a wonderful world
