

# Jealous Heart

*Jenny Carson, as sung by Connie Francis*

All: Oh, jealous heart, oh, jealous heart, stop beating  
Can't you see the damage you have done?  
You have driven him away forever  
Jealous heart, now I'm the lonely one

All: I was part of everything he planned for  
And I know he loved me at the start  
And now he hates the sight of all I stand for  
All because of you, oh, jealous heart

All: Now that he's gone, he's gone and found another  
I know he loved me from the start  
Through all the years his memory will haunt me  
And all because of you, oh, jealous heart

All: All because of you, oh, jealous heart  
(Oh, jealous heart)
