

EVERYBODY LOVES SOMEBODY

(Solo) **Everybody loves somebody sometime,
Everybody falls in love somehow,
Something in your kiss just told me,
that sometime is now.**

**Everybody finds somebody someplace,
There's no telling where love may appear.
Something in my heart keeps saying,
My someplace is here.**

^{M+}
**If I had it in my power,
I'd arrange for every girl to have your charms.
Then every minute, every hour,
Everybody would find what I found in your arms.**

**Everybody loves somebody sometime,
And though my dreams were overdue,
Your love made it all worth waiting, for someone like you.**

NO INTERLUDE

(Ladies) **Everybody loves somebody sometime,
Everybody falls in love somehow
Something in your kiss just told me,
My sometime is now**

There's no telling where love may appear
Something in my heart keeps saying,
My someplace is here**

(Men) **If I had it in my power,
I'd arrange for every girl to have your charm
Then every minute, Every hour,
Every boy would find what I've found in your arms**

and though my dreams were overdue,
Your love made it all worth waiting for someone like you.**
