

# Maggie

*Intro – last 2 lines of chorus*

I wandered today to the hill, Maggie  
To watch the scene below  
The creek and the rusty old mill, Maggie  
Where we sat so long, long ago  
Our old house is gone from the hill, Maggie  
And I thought of the songs that were sung  
In those sweet days gone by, long ago, Maggie  
When you and I were young

The violet was scenting the wood, Maggie  
Displaying her charms to the bee  
When I first said I loved only you, Maggie  
And you said you loved only me  
The chestnut blooms gleam in the glade, Maggie  
The robin sang loud in the tree  
When I first said I loved only you, Maggie  
And you said you loved only me

*(1st four lines instrumental – oo)*

They say we have outlived our years, Maggie  
We're dated like songs that we sung  
To me you're as fair as you were, Maggie  
When you and I were young

They say we have outlived our years, Maggie  
We're dated like songs that we sung  
To me you're as fair as you were, Maggie  
When you and I were young

When you and I were young.
