

MAY EACH DAY**(1963)****Words by Mort Green, Music by George Wyle**

**May each day in the week be a good day.
May the Lord al-ways watch o-ver you
And may all of your hopes turn to wish-es
And may all of your wish-es come true.**

**May each day in the month be a good day.
May you make friends with each one you meet.
And may all of your day dreams be mem-'ries
And may all of your mem-'ries be sweet.**

**The weeks turn to months
And the months in-to years.
There'll be sad-ness and joy.
There'll be laugh-ter and tears.
But one thing I pray to hea-ven a-bove
May each of your days be a day full of love.**

**May each day in the year be a good day.
May each dawn find you hap-py and gay
And may all of your days be as love-ly
As the one you shared with me to day**

**May each day in your life be a good day
And good night.**
