

On a Clear Day (You Can See Forever)

On a clear day Rise and Look around you
And you'll see who you are.
ON a clear day How it will astound you
That the glow of your being out-shines every
Star. You feel part of ev-'ry mountain, sea and shore.
You can hear, from far and near, a world you've never heard before.
And on a clear day, On that clear day
You can see forever and ev-er more!
On a ever and ever and ever more
