

# Over the Rainbow/Wonderful World

*This medley includes two beautiful, well-loved songs that fit seamlessly together. Sing with gentleness and feeling in a soft ballad style.*

## **<Piano intro to Over the Rainbow>**

**All:** Somewhere over the rainbow, way up high,  
There's a land that I heard of, once in a lullaby  
Somewhere over the rainbow skies are blue  
And the dreams that you care to dream, really do come true.

**Women:** Someday I'll wish upon a star and wake up  
Where the clouds are far behind me

**All:** Where troubles melt like lemon drops  
Away above the chimney tops, that's where you'll find me

## **<Segue to Wonderful World - no break>**

**Men:** I see trees of green, red roses too,  
I see them bloom for me and you;  
And I think to myself — what a wonderful world;

**Women:** I see skies of blue and clouds of white,  
The bright blessed day, the dark sacred night  
And I think to myself — what a wonderful world

**All:** The colours of the rainbow so pretty in the sky  
Are also on the faces of people going by;  
I see friends shaking hands, saying How do you do?  
They're really saying I love you

## **<Over the Rainbow>**

**All:** Somewhere over the rainbow way up high,  
There's a land that I heard of, once in a lullaby

**Women:** Somewhere over the rainbow, bluebirds fly  
Birds fly over the rainbow, why oh why can't I?

**All:** Yes, I think to myself — what a wonderful world  
Oh yeah.....
