

## **A PLACE IN THE CHOIR**

### **CHORUS TWICE**

**All God's creatures got a place in the choir  
Some sing low and some sing higher'  
Some sing out loud on a telephone wire,  
Some just clap their hands, or paws or anything they got now**

**1. Listen to the top where the little birds sing  
And the melodies with the high notes ringing  
The hoot owl hollers over everything  
And the blackbirds disagrees**

**2. Singin' in the night time, singing in the day.  
When the little duck quacks, and he's on his way.  
And the otter hasn't got much to say  
And the porcupine talks to himself**

### **CHORUS ONCE**

**3. The dogs and cats they take up the middle  
While the honeybee hums and the crickets fiddle,  
The donkey brays and the pony neighs  
And the old grey badger sighs**

**4. Listen to the bass; it's the one on the bottom  
Where the bullfrog croaks and the hippopotamus  
Moans and groans with a big to-do.  
And the old cow just goes "Moo"**

### **CHORUS ONCE**

**5. It's a simple song of living sung everywhere  
By the ox and the fox and the grizzly bear  
The dopey alligator and the hawk above  
The sly old weasel and the turtle dove**

### **CHORUS X 2 TIMES**
