Ram - blin' Rose, Ram - blin' Rose,
Ram - ble on, Ram - ble on,
Ram - blin' Rose, Ram - ble on,
Ram - blin' Rose.

— Why you ram - ble — no one knows. —
 — When your ram - blin' — days are gone, —
 — Why I want you — heav - en knows. —

Wild and wind-blown, that's how you've grown,
 Who will love you with a love true,
 Though I love you with a love true.

Who can cling to a Ram-blin' rose?
 When your ram-blin' days are gone?
 Who can cling to a Ram-blin' rose?
