

Silver Chord Sgt. Pepper

Parody by Stephanie Mitchell

All: It was sixty years ago today
We got together and we learned to play
We've been going in and out of style
But we're guaranteed to raise a smile
So let us introduce to you
The choir you've known for all these years —
The Port Coquitlam Silver Chord **SEN-IORS** Choir!

All: We're Port Coquitlam's Silver Chord Seniors' Choir
We hope you will enjoy the show
We're the longest running, one and only Silver Chord Choir
Sit back and let the music flow!

All: Silver Chord Seniors,
Silver Chord Seniors,
Silver Chord Seniors — Seniors Choir!
