

# Sing me an Old Fashioned Song

*Billie Jo Spears*

Sing me, sing me an old fashioned song  
Bring me, back in my mind, to a time where my memories all come from  
A good timing song, the kind that makes you want to sing along  
A good old fashioned, hand clapping, knee slapping, foot tapping song

Shoo fly don't bother me, Shoo fly don't bother me  
Shoo fly don't bother me  
I don't want your company  
Flies in the buttermilk two by two  
Flies in the buttermilk shoo fly shoo  
Flies in the buttermilk skip to my loo  
Skip to my loo my darlin'

Sing me, sing me an old fashioned song  
Bring me, back in my mind, to a time where my memories all come from  
A good timing song, the kind that makes you want to sing along  
A good old fashioned, hand clapping, knee slapping, foot tapping song

When I was young I used to wait  
Upon my master and drain his plate  
And pass the bottle when his was dry  
And wash away the blue tail fly  
Jimmy crack corn an I don't care, Jimmy crack corn an I don't care Jimmy  
crack corn an I don't care  
The Master's gone away

Sing me, sing me an old fashioned song  
Bring me, back in my mind, to a time where my memories all come from  
A good timing song, the kind that makes you want to sing along  
A good old fashioned, hand clapping, knee slapping, foot tapping song  
A good old fashioned, hand clapping, knee slapping, foot tapping song
