

# Something to Sing About

*Oscar Brand*

**All:** I have walked cross the sand  
Near the Grand Banks of Newfoundland  
Lazed on the ridge of the Miramichi  
Seen the waves tear and roar  
On the stone coast of Labrador  
Watched them roll back  
To the Great Northern Sea

**Chorus:** From the Vancouver Island  
To the Alberta Highlands  
Cross the Prairies, the Lakes  
To Ontario's towers  
From the sound of Mount Royal's Chimes  
Up to the Maritimes  
Something to sing about  
This land of ours

**All:** I have welcomed the dawn  
From the fields of Saskatchewan  
Followed the sun  
To the Vancouver shore  
Watched it climb shiny new  
Up the snow peaks of Caribou  
Up to the clouds  
Where the wild Rockies soar

## **Chorus**

**All:** I have wandered my way  
To the wild wood of Hudson Bay  
Treated my toes  
To Québec's morning dew  
Where the sweet summer breeze  
Kissed the leaves of the maple trees  
Singing this song  
That I'm sharing with you

## **Chorus**

**Alto:** I have heard the wild winds  
Sing of places that I have been  
Bay Bulls and Red Deer  
And the Strait of Belle Isle  
Names like Grand-Mere and Silverthorn  
Moose Jaw and Marrowbone  
Trails of the Pioneer  
Named with a smile

**Chorus**

**All:** Yes there's something to sing about  
Tune up a string about  
Call out in chorus  
Or quietly hum  
Of a land that's still young  
With a ballad that's still unsung  
Telling the promise  
Of great things to come

**Chorus**

**All:** Yes, there's something to sing about  
This land of ours!
