

# Top of the World

*The Carpenters*

**Women:** Such a feelin's comin' over me  
There is wonder in most every thing I see  
Not a cloud in the sky, got the sun in my eyes  
And I won't be surprised if it's a dream

**Men:** Everything I want the world to be  
Is now comin' true especially for me  
**All:** And the reason is clear, it's because you are here  
You're the nearest thing to heaven that I've seen

**Refrain:** **I'm on the — top of the world lookin' — down on creation**  
**And the only explanation I can find**  
**Is the love that I've found, ever since you've been around**  
**Your love's put me at the top of the world**

**Men:** Something in the wind has learned my name  
And it's tellin' me that things are not the same  
In the leaves on the trees, and the touch of the breeze  
There's a pleasing sense of happiness for me

**Women:** There is only one wish on my mind  
When this day is through I hope that I will find  
**All:** That tomorrow will be, just the same for you and me  
All I need will be mine if you are here

**Refrain:** **I'm on the — top of the world lookin' — down on creation**  
**And the only explanation I can find**  
**Is the love that I've found, ever since you've been around**  
**Your love's put me at the top of the world**

**Refrain:** **I'm on the — top of the world lookin' — down on creation**  
**And the only explanation I can find**  
**Is the love that I've found, ever since you've been around**  
**Your love's put me at the top of the world**
