

# Try to Remember

*Tom Jones, Harvey Schmidt, from "The Fantasticks"*

All: Try to remember the kind of September  
When life was slow and oh, so mellow  
Try to remember the kind of September  
When grass was green and grain was yellow

All: Try to remember the kind of September  
When you were a tender and callow fellow  
Try to remember and if you remember  
Then follow, follow

All: Try to remember when life was so tender  
That no one wept except the willow  
Try to remember when life was so tender  
When dreams were kept beside your pillow

All: Try to remember when life was so tender  
When love was an ember about to billow  
Try to remember and if you remember  
Then follow, follow

All: Deep in December, it's nice to remember  
Although you know the snow will follow  
Deep in December, it's nice to remember  
Without a hurt the heart is hollow

All: Deep in December, it's nice to remember  
The fire of September that made us mellow  
Deep in December, our hearts should remember  
And follow, follow, follow
