

# The Working Song Man

Nigel Tucker

**G**

I play the music all day long

**G**

I don't care if it's right or wrong

**C**

**G**

**Am**

**D**

As long as it gets a smile from the people

**G**

The music comes across the land

**G**

We listen there right where we stand

**C**

**D**

**G**

As the working song man comes our way

**C**

**G**

**Chorus:** I am the working song man

**Am**

**D**

**Chorus:** And I sing from dawn to dusk

**D**

**C**

**G**

**Chorus:** For the miner with a nickel

**Am**

**D**

**Chorus:** And the farmer with the husks

**C**

**G**

**Chorus:** My songs they don't make records

**Am**

**D**

**Chorus:** Or get sung on MTV

**C**

**D**

**G**

**Chorus:** But it's a working song man's life for me

I like to make the people smile

It makes the music all worthwhile

Enjoyment is the key to perfect playing

For alcohol that's always free

Can make you sick just like the sea

So a working song man's what I'd rather be

**Chorus twice**
