

You're Always Welcome at Our House

Shel Silverstein

Well, a man came to our house
Our house
Our house
A man came to our our house
To sell some brooms
So we asked him to come in
And we hit him with a hammer
And we hid him in the closet in my father's room

Chorus: **But you're always welcome at our house**
 Any time of the day
 Yes, you're always welcome at our house
 And we hope you will stay

Then a lady came to our house
Our house
Our house
A lady came to find out why I was not in school.
So we asked her to come in
And we gave her some poisoned lemonade
And we hid her in the freezer where it's nice and cool

Chorus:

Then a kid came into our yard
Our yard
Our yard
A kid came into our yard to get his ball
We asked him to come in
And we took him in the basement
And then we sealed him up in the basement wall

Chorus:

So when you come to our house
Our house
Our house

When you come to our house
We'll have some fun
We'll ask you to come in
And we'll take you in the kitchen
And we'll put you in the oven until you're done

Chorus: **But you're always welcome at our house**
 Any time of the day
 Yes, you're always welcome at our house
 And we hope that you will stay
 And we know that — you — will —stay!
