

# You'll Never Walk Alone

*Rodgers and Hammerstein, from Carousel*

All: When you walk through a storm  
Hold your head up high  
And don't be afraid of the dark

All: At the end of a storm  
There's a golden sky  
And the sweet silver song of a lark

All: Walk on through the wind  
Walk on through the rain  
For your dreams be tossed and blown

Women: Walk on, walk on  
With hope in your heart

Men: And you'll never walk alone  
You'll never walk alone

All: Walk on, walk on  
With hope in your heart  
And you'll never walk alone  
You'll never walk alone
